

Please renew Wisconsin's "Do Not Call List" provisions for telemarketers. I can not tell you what a joy it is to go through a day with my family without being interrupted by an unwanted, and uninvited "guest" in our home. With all of the rules enacted over the past few years to protect our privacy with medical records, why do you want to give telemarketers the right to invade that same privacy?

Thank you for listening.

Kevin and Lori Suddick
